

DINOLABELDIGITAL

Expertly Crafted, Digitally Printed.

ABOUT US

Dinolabeldigital is a web to print platform for premium brand labels for any consumer or industrial products. Get brand labels printed with vibrant colors, life-like images, variable information and delivered to your doorstep.

2022 ✓

Web to print platform was conceptualized and went live offering small MOQs & quick turnaround time for B2C customers.

2023 ✓

Made sustainable materials and packaging our core focus to meet needs of conscious brand owners

2024 ✓

Invested in our 1st CMYK + W Digital label printing press to cater to B2B markets.

CAPABILITY

Our digital printing set up allows for the direct printing of high-quality labels onto label material using digital files without the need for traditional printing plates or cylinders

AL 400 ✓

Accurio Label 400 press by Konica Minolta with capability of CMYK +W. High-res 1200 x 2400dpi printing on Paper & Films

Digital Plotter ✓

Digital Plotter to die-cut and finish labels in any custom shape and size as per brand needs, for small MOQs

Label Finisher ✓

High speed semi-rotary Label finisher and die-cutter unit to finish labels, for mid-high volumes

WHY DIGITAL ?

On-demand digital printing offers several advantages over conventional printing methods like offset or flexographic printing, making it an increasingly popular choice for packaging labels. Create eye-catching and customized brand labels while maintaining cost-effectiveness and flexibility.

Benefits of digital printing

- Personalized packaging designs
- Superior image quality
- Quick prototyping and design changes
- Shorter printing runs
- Multiple product variations
- On-demand printing
- Sustainability benefits

Low MOQ ✓

Start with MOQ as low as 5000 labels, no hidden charges.

CMYK+White ✓

CMYK +W printing with superior image quality at 3600 dpi

Flexibility ✓

Quick prototyping & design changes, multiple product variations

Quick turnaround ✓

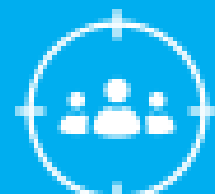

Quick turnaround of 5-7 days from order to shipment

I'd recommend them

They did a good job at aligning and printing my design. My design had a QR code in it, they made sure it was scanning as I opted for a small-size label. I'd recommend them. Thanks,
