

Data Sheet

Date: Mar 22, 2018

Item#	NT688A1
Color	White
Composition	Nylon taffeta
Coating	Two-side coated
Thickness (mm)	0.110 ~ 0.130
Weight (g/m2)	68±3
Printing Type	Thermal transfer, letter press, screen printing, hot stamping, rotary
Washing Type	Domestic 80 degree C, dry clean
Remarks	Made in China

Remarks:

1. The above specification is subject to change without prior notice.
2. Customer needs to test the final product based on their application and environmental conditions.
3. Test results may vary depending on printing conditions. If Thermal Transfer printing, the printer must be set on high energy and low speed for Resin ribbon. Please verify our product works in your particular application (printer cutter/stacker, printer rewinder, etc.).
4. Environmental Conditions : Storage 5°C to 35°C, 35% to 85% Relative Humidity, and not in direct sunlight. Shelf year : 1year.
5. Fine Continent Sinca reserves the right to change any FCSCCL product without prior notice, provided there is no change in product performance.
